   3.4 All the same: homonymous settlements ................... 32
4 *LOADED TOPOYMS* ................................................ 35
5 *CONCLUSION* ....................................................... 38

**II. PTOLEMAIC FOUNDATIONS AS REGIONAL SYSTEMS** .......... 41

1 *INTRODUCTION* .................................................... 41
2 *THE PTOLEMAIC EMPIRE. A ‘NATIONAL’ SETTLEMENT SYSTEM* 42
   2.1 What was it the Ptolemies ruled? ........................... 42
   2.2 A regional perspective on Ptolemaic possessions .......... 46
      2.2.1 Egypt, Lower Nubia, the Red Sea coast south to Ethiopia .......... 47
      2.2.2 Coele-Syria ........................................... 50
      2.2.3 Cyrenaica ............................................. 53
      2.2.4 The Aegean Islands and Crete .......................... 53
      2.2.5 Asia Minor (Ionia, Caria, Lycia, Pamphylia, Cilicia) and Cyprus .... 54
   2.3 *Conclusion* .................................................. 55
### 3. The Distribution of Ptolemaic Foundations

3.1 Dynastic settlement in the Ptolemaic empire and beyond  
3.2 Dynastic settlement in Egypt

### 4. Founding New Settlement Patterns

4.1 Frequency and continuity of sites  
4.2 Polis centre and its hinterland  
4.3 Discussion

### 5. Methods of Foundation

5.1 Classificatory muddles  
5.2 Locating and dating Ptolemaic methods of foundation

### 6. Conclusion. From Regional Variability to Empire

### III. Ptolemaic Foundations as ‘Urban’ Systems

1. Introduction: What is Urban and Does it Matter?

2. Settlement and Population Size

2.1 The size of Ptolemaic and Seleukid foundations  
2.2 Ptolemaic foundations and regional thresholds  
2.3 The Graeco-Roman Fayum. Settlement size and facilities  
2.4 Conclusion

3. Urban Structure and Origin

3.1 Ancient Egyptian town planning  
3.2 Hippodamian ideas in the Hellenistic world  
3.3 Ptolemaic town planning  
3.3.1 Ptolemy I Soter and Ptolemais in Cyrenaica  
3.3.2 Foundations of the second generation  
3.4 Conclusion

4. Life in a Settlement. Organisation and Function

4.1 Administrative organization  
4.2 Physical differentiation  
4.3 Socio-economic differentiation

5. Conclusion

### IV. Colonising Egypt and the Eastern Mediterranean

1. Dates and Founders

1.1 Introduction  
1.2 Dating Ptolemaic foundations
CONTENTS

1.3 The city of Ptolemais in Cyrenaica .......................... 143
1.4 It all began in Hellenistic Egypt .......................... 146
1.5 One, two or more Ptolemaic exploration programmes? .... 149
  1.5.1 The Fayum .......................................... 149
  1.5.2 Ptolemy II and the Red Sea coast .................. 151
  1.5.3 The Ptolemies on the fringe — the Aegean and Asia
       Minor .................................................. 157
1.6 A later recovery — The foundations of Boethos ............ 159
2 MOVING PEOPLE OR TIME TO MIGRATE? .................. 165
  2.1 Settlers — where did they come from? ................. 166
  2.2 Emigration — who pays for the transfer and why emigrate? .... 174
3 CONCLUSION .................................................. 179

CONCLUSION .................................................. 181

APPENDICES
